

Student Success

PLC

Lewis Elementary students and staff participate in Positive Behavior Support, along with Response to Intervention for academic support. Professional Learning Communities establish the foundation in which the individual needs of students are better met.

The Goals of PBS at Lewis

Overall Goal: help each child develop self-discipline while maintaining a safe learning environment

Shared responsibility of home and school working together to develop good citizens by recognizing positive contributions of students

Teachers, administrators, counselors, and support staff are going to take responsibility to TEACH positive behavior expectations to students.

Students will know exactly what is expected of them.

Students who take responsibility to behave positively will be recognized and rewarded in a variety of ways. Students also know exactly what consequences will result when they choose NOT to meet the school wide expectations.
